

Exercise #4: Create a DRAFT Critical Path for 1 Group Member's Project

CRITICAL TASKS BRAINSTORM (just list all you can think of in no particular order...):

CRITICAL TASKS ORDERING (put the tasks in order first to last):

CREATE A DRAFT VISUAL LAYOUT OF THE CRITICAL PATH (refer back to the example in the slides if you need it!)

Exercise #5: RISKS LIST (what might happen that could throw your project off track??)

RISK MANAGEMENT PLAN – PM for STEMH Educators

ID #	Risk Identification				Risk Response Planning				Risk Monitoring & Control				
	Risk	Impact (high/low)	Impact Description	Probability (high/low)	Suggested Response (Accept, Mitigate, Avoid, Contingency)	Who Approves Response?	Response Approval Status	Date of Occurrence	Corrective Action Description	Who Approves Corrective Action?	Corrective Action Status
