### LIABILITY & PUBLICITY RELEASE:

The student, sponsoring teacher, and parent/guardian hereby agree that they accept the following conditions:

1. I shall abide by **ALL** fair rules and procedures (regional, state, and Intel ISEF) or risk disqualification.
2. I understand that sponsors, officials, & volunteers of the Fair are not responsible for loss/damage to the project. It is recommended that each exhibitor take prudent precautions to prevent any theft, loss, or damage to his/her Exhibit and/or other property and to remove all portable, valuable components when the Exhibit is left unattended.
3. I agree to display the project for the ENTIRE Fair.
4. I understand that if the project is not removed by the published check out time, it will be discarded.
5. I (the teacher) agree to sponsor the student and assume responsibility for compliance with **ALL** existing Intel ISEF rules for the current year.
6. I (the teacher) agree to conduct a safety review of the project.
7. I understand that the decision of Fair officials is final in the selection of winners. I shall not be entitled to the contact information of Fair Officials or shall I attempt to contact any Fair officials concerning selection of winners. The term “Fair officials includes but is not limited to any and all judges involved in the selection of winners.
8. I understand that any opinions expressed by judges and/or award donors are solely those of that individual/organization and do not represent the opinions of the UNM STEM-H Center for Outreach, Research and Education, its employees, or the University of New Mexico.
9. I give permission to use appropriate information about me for public purposes (including photos, videos, or likenesses that may be used by each Fair/Challenge or sponsors of awards) for the purposes of illustrations, advertising, or publication in any manner. I also consent to use of my name therewith. The Regional Science & Engineering Fairs/Challenges are prestigious events and your presence there is newsworthy. The organizations and/or businesses sponsoring awards at the fairs may want to publicize their involvement in such an important science competition by using photographs/information about you. Your cooperation will help make it possible for other promising young students to get involved in research.
10. In consideration of being permitted to participate in the Program, I agree to assume all risk of personal injury or loss, bodily injury (including death), damage to or loss of, or destruction of any personal property resulting from or arising out of my child’s participation in the designated activity. I also release, waive, indemnify, hold harmless, and discharge UNM, its Board of Regents, its officers, employees or agents, from any and all claims, damages, and injuries arising out of my activities, including the use of equipment and facilities provided by UNM.
